

A decorative arrangement of pink ostrich feathers on gold-painted branches is the central focus. The feathers are large and voluminous, creating a soft, textured canopy. The branches are thin and gnarled, painted in a metallic gold. In the background, a large, ornate mirror reflects a room with a floral-patterned sofa, a wooden bed frame, and a dark wooden cabinet. The overall aesthetic is elegant and classic.

## AGATHA

BOTANICAL COLLECTION

Agata is a type of quartz, known for irregular shapes and its typical colors: grey and bluish-grey. Most agates occur like nodules in eruptive rocks and when cut, they show all their inner beauty. AGATHA modern rug was born with a strong connection with nature and the two techniques present on this luxury rug, Hand-tuft and Overtufting, enhance the beauty of this product.

## MIRÓ
