CLASSIC COLORED LINEN BEDDING

HOME DECOR SECTOR

Temperature regulating

Linen is a natural insulator, keeping you cool in summer and warm in winter - so you can sleep deeper for longer.

Strong and durable

Linen is 30% thicker and stronger than cotton, making it longer lasting and more durable.

Softer with every wash

Like a fine wine or your favourite pair of jeans, your linen sheets will get better with age and use.

Naturally eco-friendly

Linen is naturally eco-friendly, as it is biodegradable, water efficient and requires little to no pesticides during cultivation.

Broken lines are all the rage in the design world, and it's easy to see why. Equal parts earthy and impactful, cracked motifs evoke the unruly outlines of nature—think dried soil, fissured stone and splintered bark—while ushering graphic drama and a touch of asymmetry into a space.

Balloons, a collection of timeless lights embodying rudimental forms evoking images of hot air balloons, captivates with the beauty of large-format handblown glass and an elegant metal reflector hovering within. The design's charm lies in the use of two independent glass sections to achieve the impression of an integral whole. Lavish proportions and an elegant hand-pressed metal reflector are the collection's defining traits.

TABLE LAMPS

The beautiful JAR Table Light gives glass products an innovative trend, which uses the visual effect of refraction to create a grand water reflection in a small jar, making people feel amazing. Available in three glass colors.

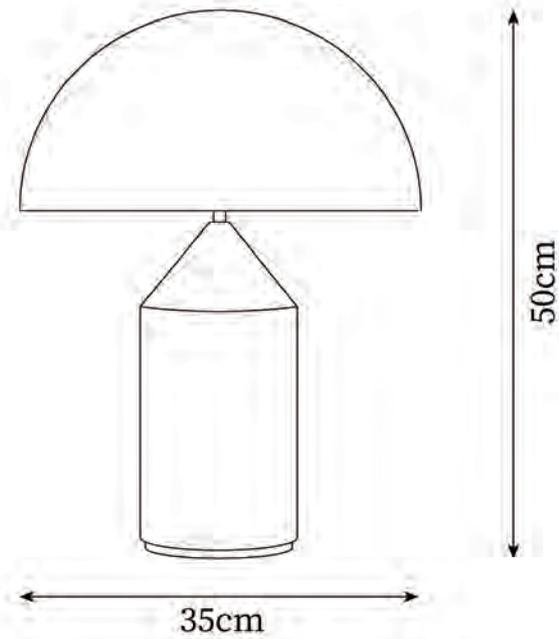

TABLE LAMPS

Soffio Table is a table lamp made with diffuser in hand-blown transparent borosilicate glass and hand-finished or galvanized brass and marble base. Available in different finishes
