Since 2020

Whether residential, commercial, or large-scale RFPs, NEST. approaches each project with a focus on enhancing your existing structural features and key furniture. Our aim is to deliver a makeover that aligns with your unique needs, budget, and lifestyle. Explore some of our exceptional work at NEST Decor and discover spaces that have been thoughtfully designed to offer a perfect blend of elegance and coziness.

Transforming Spaces, Creating Masterpieces

At NEST, we believe in the power of a cohesive and holistic approach to interior decor and design. With our factories strategically stationed across six provinces in Vietnam, we bring together a rich history of large-scale production and meticulous attention to detail.

Our diverse team, comprising talented professionals from South Africa, America, China, India, Serbia, Russia, and a strong local Vietnamese team, embodies the perfect blend of international expertise and local craftsmanship. This fusion allows us to create bespoke solutions tailored to the unique needs of each client.

We pride ourselves on our ability to produce anything your new business might require. Our young and dynamic team thrives on creativity and is always eager to embrace new challenges. Whether you are a business owner or an architect, we are here to transform your vision into reality. At NEST, your project is our masterpiece. Hire us and experience the art of innovative interior design.

WARRANTY EXPERIENCE

Our automatic numerical control machines are spread over more than 10,000 sq.m. of buildings. They let us guarantee performances at the leading edge of progress while meeting your requests under optimal conditions of quality and lead-time. Thanks to this know-how, our teams and technicians have achieved excellence on every prestigious project they have carried out on the five continents.

Meet the NEST Team: Your Partners in Creating Exceptional Spaces

At NEST, our diverse team of experts is dedicated to turning your hospitality vision into reality. From our sales team, who guide you from the start, to our talented decorators and designers who bring creativity and style to your spaces, we cover every detail. Our business executives, manufacturers, and attorneys ensure smooth operations, while our translators bridge any language gaps. With the support of our IT team providing 3D renderings, we deliver exceptional results every time. At NEST, we're your partners in creating unforgettable spaces.

Sales Team

Our sales team is your first point of contact, ready to listen to your vision and help guide you through our range of services. They're not just salespeople—they're your partners in ensuring that every detail of your project is handled with care and precision.

Decorators

Our decorators have an eye for detail and a passion for creating beautiful, functional spaces. Whether you're looking for a complete makeover or just a few finishing touches, our decorators are here to bring your vision to life.

Business Executives

Behind every great design project is a team of business executives ensuring everything runs smoothly. From managing budgets to coordinating logistics, our executives make sure that your project stays on track and within budget.

Manufacturers

Our manufacturers are the backbone of NEST, crafting the high-quality furniture and fixtures that set our projects apart. With years of experience and a commitment to excellence, they bring your designs to life with precision and care.

Designers

Our talented designers are the creative minds behind the scenes, turning your ideas into stunning, functional spaces. With a deep understanding of both aesthetics and practicality, they create designs that are as beautiful as they are livable.

Attorneys

Our legal team ensures that every aspect of your project is compliant and protected. They handle contracts, negotiations, and all the fine print, so you can focus on the creative process with peace of mind.

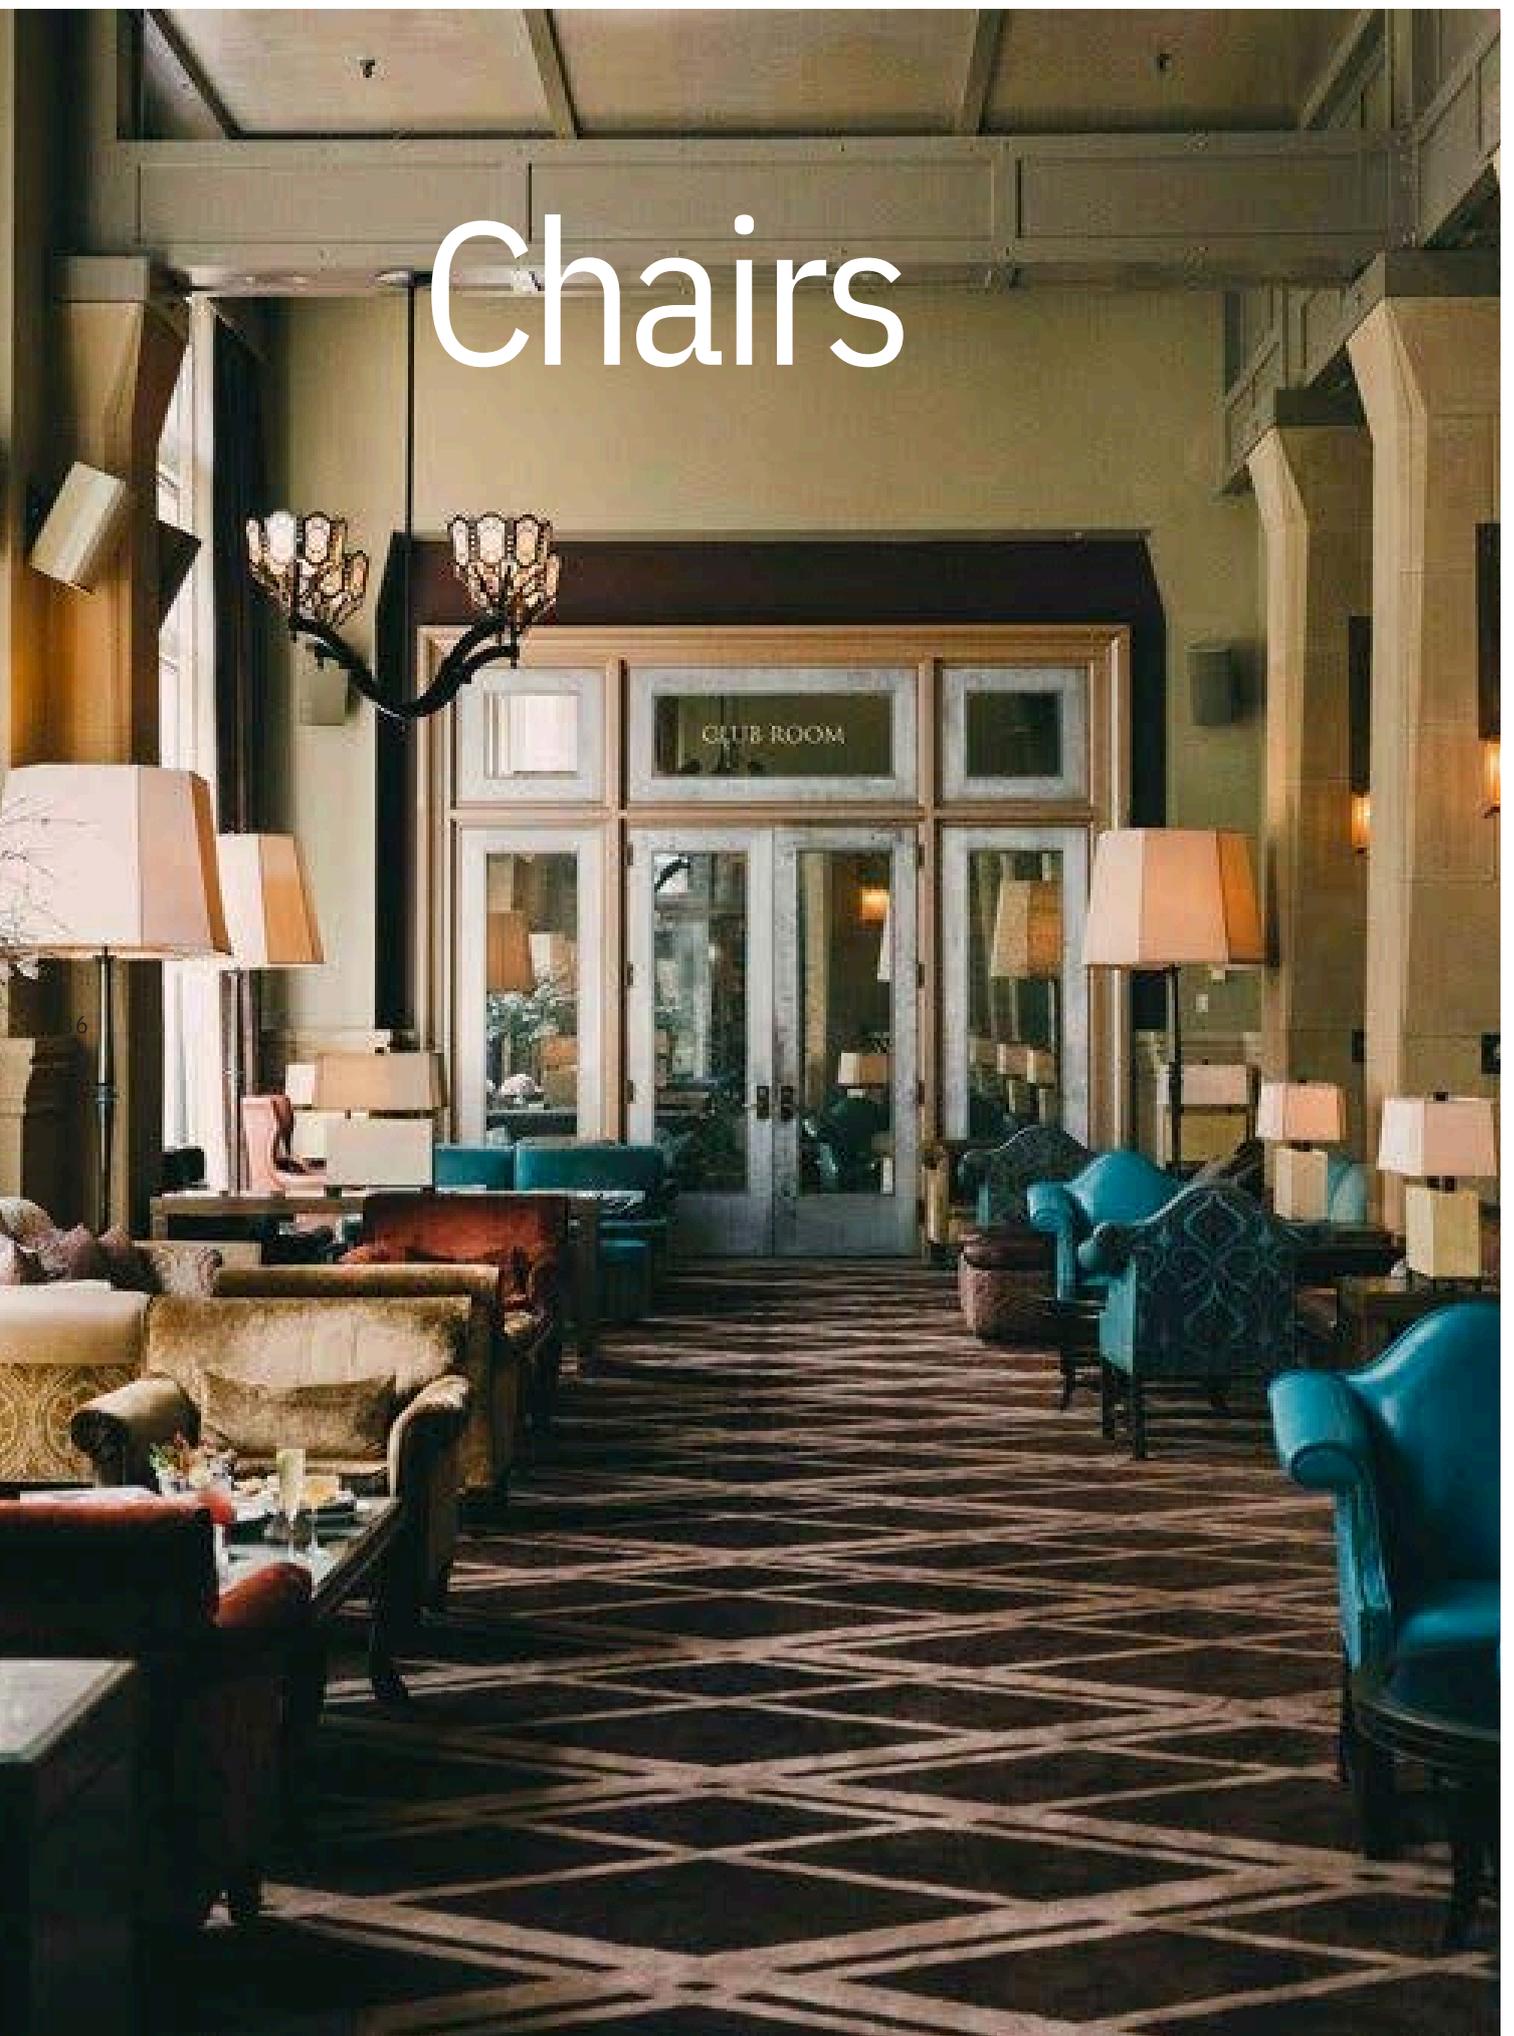

Translators

In our global work environment, clear communication is key. Our translators bridge any language gaps, ensuring that every conversation, contract, and detail is understood and executed flawlessly.

IT Team & 3D Renderings

Our IT team is equipped with the latest technology to provide 3D renderings and expert advice. This allows you to visualize your project before it even begins, ensuring that every detail is just right.

A close-up photograph of a chair's seat and leg. The seat is upholstered in dark, textured leather with a fine, cracked pattern. A vertical wooden leg, finished in a light, natural wood tone, is positioned to the right of the seat. The word "Camden" is overlaid in white, sans-serif font across the center of the image.

Tailored Solutions Beyond the Catalog

While this catalog showcases our most in-demand pieces, at NEST, we understand that every business has unique needs. That's why we take pride in working closely with our clients to design furniture that aligns perfectly with their style, requirements, and budget. Whether you're looking for something specific or need a custom solution, we're here to bring your vision to life.

In addition to furniture, we also offer a wide range of complementary services, including lighting solutions, decorations, kitchenware, artwork, and outdoor furniture. Our goal is to provide you with everything you need to create a cohesive and inviting space.
